

Dear Sigrid:

A few lines from me too. It has been raining all day. There is snow on the very top of the Mts. It gets pretty chilly in the morn^{ing} now.

The Do. & nurse were at camp and ^{gave} the kids the last dose for their typhoidism.

I imagine you are quite busy with your boarders. We havnt so much to do. I sewed Pearl a dress to-day & baked bread. Sulo was at the home site.

Picking rocks for the future bathhouse.

We had our first steam bath last wk. ^{at a new place}

It sure felt good. We are going to have our tent brought to the place. We are about $\frac{3}{4}$ of a mile from there now.

They expect to drill the well soon. Will have to carry it a $\frac{1}{4}$ mile at first.

I got a letter from Hetta the

other wks I suppose you ^{have} seen in
the paper where the fire Bill was
passed. I expect to get a small
sum from there too.

I am getting so fat, and so are
all the others too. So I guess the
country agrees with us. We sure
eat plenty. Its the same with all
the other people too. Our food Budget
is \$95. ~~00.~~ ^{00.} for Sept + Oct, after that
they will fix a new one for groceries
& clothing both. I dont think we will
have to pay for what we are getting
now. Our furniture is all at
the warehouse till we get our house.
Dont know what it looks like yet.
Wish you could come up and see
when we get everything settled. I
think it will be lots of fun fixing up
the place. Say my Best Regards, to
Ben + Art.

with Love

Helena.
