NOTE: This report must be made up promptly at the close of each month and forwarded to Division Superintendent not later than the 4th of the following month. It must be a full report of all fuel handled during the month Balance on hand must be carefully measured on last day of month and any discrepfully accounted for by letter attached to this report. A tissue copy of all fuel reports must be kept on file in your office, and at stations where there is no letter press a hard copy of each report should be kept on file. Opposite "Goal sold to Employees" requisition number must be shown. When sending this report in you must enclose engineman's coal tickets covering all coal delivered to engines and rotaries, and receipts, signed by person in charge, to cover coal or wood delivered to section houses, water tanks, machine shops, etc., and also requisitions or orders from Superintendent's office to cover coal sold to employees or others.
